Re: Application # 10/614,705

Dear Mr. Fetsuga;

Enclosed are corrected drawings and a claim sheet #6 with additional claims.

I have checked Home Depot, Lowe's, Sears and other outlets and none of them have a Dual Flush Valve in their stores. They all have Single Flush Valves. I regret that my inexperience has caused myself and you extra problems.

I am not including the optional drawings I sent to you July 19<sup>th</sup> 2004, July 22<sup>nd</sup> 2004 and September 3 2004 as they are probably not needed for a patent allowance because they are basically the same as the drawings submitted.

Sincerely,

Paul B. McKee
